Membership Meeting The Georgian Club

2006-07

FUTURE LEADERS PROGRAM

**Professional Development Program
for Young Managers on the Move**

ACEC
AMERICAN COUNCIL OF ENGINEERING COMPANIES
of Georgia

Invest In The Future

The consulting engineering industry and ACEC/G have prospered over the years as a result of strong leadership. To ensure that we enjoy an equally successful future, we must invest in our young future leaders and encourage them to get involved in industry and association activities.

ACEC/G's ninth consecutive Future Leaders Program provided exclusively for the benefit of the young professionals within our member companies, aims to provide young professionals with the opportunity to share ideas about the issues facing them daily and to provide them with industry knowledge they will need to meet the challenges ahead.

Who May Participate In The Future Leaders Program?

The ACEC/G Future Leaders Program is targeted to all rising industry professionals. Nominees must be employed by a member firm or be the owner/principal of the member firm. A firm may nominate as many eligible participants as they wish. The 2006-07 Program runs from September 2006 to April 2007 and includes a commitment to six sessions and a recognition program at the ACEC/G May General Membership Meeting. All previous FLP graduates are invited and encouraged to participate in any of the upcoming FLP sessions on an ala-carte basis.

"The 2006-2007 Future Leaders Program will be our 9th year of presenting outstanding learning opportunities for the future leaders of our community. As in the past, each session will be a great way for participants to learn, network, and have a lot of fun. This year's participants will gain information and contacts that will last them throughout their careers. As always, the FLP series will present participants with meaningful PDH opportunities and valuable resource material to take back to their firms. Don't miss out on this chance to nominate a rising star(s) from your firm to participate in the 2006-07 FLP!"

Neil R. Davis, P.E., (Mulkey Engineers & Consultants)
Future Leaders Program Chair

About The Program

Future Leaders Program participants are asked to commit to attend all meetings. Each session will provide six two-hour sessions, followed by a reception or social event for conversation and networking with the speaker, guests, and other participants. The May 2007 session will be a Recognition Program to be held in conjunction with ACEC/G's Board of Directors and Monthly Membership lunch meeting. Because times and venues are varied, please refer to the schedule on the back and future announcements.

Participation Fee

The participation fee is \$700 for the first attendee and \$600 for additional attendee(s) from the same firm. The fee covers the administrative and program costs of each session, receptions, the ACEC/G May lunch meeting, and miscellaneous planned activities. For the programs to be beneficial, the participant should attend all meetings and arrive promptly. The ala-carte participation fee for *previous* FLP graduates is \$125 per session. Previous graduates will be invited to participate under separate cover.

Benefits of The Future Leaders Program

- Participants are eligible for 2 PDHs per meeting for a total of **14 PDHs**. Certificates will be awarded to attendees at the May session.
- Participants will have the opportunity to develop **strong leadership skills and techniques**.
- Participants will be provided with **industry knowledge** needed to meet the challenges ahead.
- Participants will better understand **the role ACEC/G plays in the industry** and how the Council's services can help their firm.
- Participants will have an opportunity to **network** and exchange information with others about issues that face them daily.
- Participants are guaranteed to have **fun!**
