2010 Engineering Excellence Awards

GEORGIA ENGINEERS WEEK

Engineering Excellence is an annual design competition provided by the Georgia Engineering Alliance and held in conjunction with Engineers Week. Engineering Excellence recognizes engineering achievements demonstrating the highest degree of merit and ingenuity. Entries are rated on the basis of uniqueness and originality; future value to the engineering profession; social, economic and sustainable development considerations; complexity; and successful fulfillment of client/owner's needs, including schedule and budget. Engineering Excellence offers all competition entrants a valuable opportunity to be recognized by showcasing their talent, their experience, and their profession.
