FUTURE LEADERS PROGRAM

**Professional Development Program
for Young Managers on the Move**

Invest In The Future

The consulting engineering industry and ACEC/G have prospered over the years as a result of strong leadership. To ensure that we enjoy an equally successful future, we must invest in our young future leaders and encourage them to get involved in industry and association activities.

ACEC/G's twelfth consecutive Future Leaders Program provided exclusively for the benefit of the young professionals within our member companies, aims to provide young professionals with the opportunity to share ideas about the issues facing them daily and to provide them with industry knowledge they will need to meet the challenges ahead.

Who May Participate In the Future Leaders Program?

The ACEC/G Future Leaders Program is targeted to all rising industry professionals. Nominees must be employed by a member firm or be the owner/principal of the member firm. A firm may nominate as many eligible participants as they wish. The 2010-11 Program runs from September 2010 to April 2011 and includes a commitment to six sessions and a recognition program at the ACEC/G April General Membership Meeting. All previous FLP graduates are invited and encouraged to participate in any of the upcoming FLP sessions on an ala-carte basis.

I am privileged to be a graduate of the Futures Leaders Program, and am now proudly serving the American Council of Engineering Companies of Georgia (ACEC/G) as the Futures Leaders Program Committee Chair. My participation as a student in the program allowed me to broaden my perspective on leadership and communication skills, financial management, the Legislative process, risk management, as well as the importance of Human Resources. Please consider nominating a young professional to participate in this program as it is guaranteed to provide added value to the professional development of the student in addition to your organization.

Robert T. Lewis, P.E. (HNTB Corporation)
Future Leaders Program Chair
2000-2001 FLP Alumnus

About The Program

Future Leaders Program participants are asked to commit to attend all meetings. Each session will provide six two-hour sessions, followed by a reception or social event for conversation and networking with the speaker, guests, and other participants. The April 2011 session will be a Recognition Program to be held in conjunction with ACEC/G's Board of Directors and Monthly Membership meeting. Because times and venues are varied, please refer to the schedule on the back and future announcements.

Participation Fee

The participation fee is \$700 for the first attendee and \$650 for additional attendee(s) from the same firm. The fee covers the administrative and program costs of each session, receptions, the ACEC/G April lunch meeting, and miscellaneous planned activities. For the programs to be beneficial, the participant should attend meetings and arrive promptly. The ala-carte participation fee for *previous* FLP graduates is \$125 per session. Previous graduates are invited to participate.

Benefits of the Future Leaders Program

Participants are eligible for 2 PDHs per meeting for a total of **14 PDHs**. Certificates will be awarded to attendees at the April session.

Participants will have the opportunity to develop **strong leadership skills and techniques**.

Participants will be provided with **industry knowledge** needed to meet the challenges ahead.

Participants will better understand **the role ACEC/G plays in the industry** and how the Council's services can help their firm.

Participants will have an opportunity to **network** and exchange information with others about issues that face them daily.

Participants are guaranteed to have **fun!**
