If the firm is headquartered in another state, please indicate which state. _____

Designated Firm Contact(s) and E-Mail Address: _____

Please list in 50 words or less the type of work done by the firm: _____

DUES: Annual Dues for Associate Members:

\$500 per year upon approval by ACEC/G Board of Directors. Please contact ACEC/G for your prorated amount. Please note: Payment must accompany this application before it can be approved (payment will not be processed until approval).

ELIGIBILITY

The Associate Membership is open to those people and firms that provide professional services of a scientific or technical nature, which are complementary to the services provided by Member Firms. Associate Members shall not include entities that supply goods that are specified by consulting engineers. Only firms judged not eligible for Council membership as a Member Firm are eligible to become Associate Members. The firm shall have a reputation for ethical conduct, integrity and professional competence. Associate Members shall not be eligible to vote on Council business, hold Council office, nor serve as a committee chairperson.

PRIVILEGES

Associate Members may serve on ACEC/G committees and coalitions and attend ACEC/G membership meetings. Associate Members also receive the Management Update newsletter and other mailings from the ACEC/G office. Associate Members may choose to advertise in the Management Update, CEC/G yearly directory, and at special events throughout the year.

Application for Associate Membership is hereby made, and as a requirement thereof, the undersigned certifies that all statements made on this application are correct:

Signature of Designated Firm Contact _____ Date _____

Each application must bear the endorsement of a sponsor who shall be a principal with an ACEC/G member firm.

Signature of Sponsor _____ Sponsor's Firm Name _____
