

READY TO EMBARK ON AN UNFORGETTABLE STEAM JOURNEY?
JOIN US FOR OUR 2ND ANNUAL STEAM CAMP!

STEAM CAMP

This summer, we are excited to expand our summer schedule with the return of our STEAM Camp: a one-of-a-kind experience that presents a unique opportunity for young minds to explore the world of engineering, transportation, and healthcare.

In partnership with the **Institute of Transportation Engineers (ITE) Georgia Section** and **Grady Hospital**, we are offering an exclusive one-day camp for elementary school students interested in the fields of engineering, transportation, and healthcare.

SATURDAY, JULY 12TH

9:00AM-3:00PM

FOR ELEMENTARY AGES

This one-day camp will be held at the Georgia Department of Transportation's **Transportation Management Center** in Atlanta, GA—an ideal setting to learn about real-world engineering challenges and solutions.

WHY ATTEND?

These interactive camps are designed to ignite curiosity and foster innovation, guiding campers through the exciting world of transportation engineering while also building key life skills.

Led by Licensed Therapists from **Art It Out**, supported by **Transportation Engineers from ITE** and **Healthcare Professionals from Grady**, this hands-on curriculum will help students develop the following skills: *Leadership, Collaboration & Communication, Active Listening, Ingenuity & Executive Functioning, and Problem-Solving & Flexibility*

CAMPS WILL FEATURE:

- **GUEST APPEARANCES FROM GEORGIA STATE PATROL AND GDOT'S HIGHWAY EMERGENCY RESPONSE OPERATORS (HERO)**
- **ENGINEERING + TRANSPORTATION-RELATED STEAM ACTIVITIES**
- **SOCIAL EMOTIONAL SKILLS DEVELOPMENT**
- **ART + GAMES**
- **CATERED SNACK + LUNCH**

HOW TO APPLY:

These camps are application-based and spaces are limited, so don't wait! **Applications are due by May 1st, 2025.** Applicants will be notified by May 15th, 2025.
